

Summer Groups

- Delighting in God's Word: This summer, we invite you to grow in delighting in God's Word along with other women from Redemption Hill. Over 8 weeks (beginning June 4), we'll explore what it means to delight in God's Word and how Spiritual Disciplines can help us progress in this area no matter what season of life we're in. Psalm 19 reminds us that God's word is more precious than gold and sweeter than honey...so come taste and see this summer.

During the summer, many of our Community Groups from this past spring take a pause before relaunching in September. Instead of gathering weekly, our Groups gather more sporadically and informally. The list of events below are hosted by one or more of our Groups from this past spring. You're welcome to attend any of these as a way to connect and meet people at RHC this summer.
